Hilton

ANIMALS 

We are a 100% Polish company operating with a team of people with long-term experience in the pet sector and in the trade.

We focus our activities on two Polish product brands: **Hilton** and **Animals**. These brands are one of the oldest brands of products for dogs and cats in our country. They were created more than 25 years ago and keep developing.

Hilton is dedicated to the cat and dog category.

In this segment, over 200 top-quality products are offered at affordable prices.

Its main product lines include:

- bentonite, wood and silica gel cat litter
- treats, snacks, bones
- hygiene products
- accessories: litter boxes, spatulas, cat carrier, bowls
- toys

In 2022, Hilton brand products were awarded the title **Good Brand 2022 - Quality, Trust, Reputation**, and the special title **Poland Good Brand 2022 - Quality, Trust, Reputation**.

In 2024, Hilton brand products were awarded the title **Good Brand 2024 - Quality, Trust, Reputation, Poland Good Brand 2024 - Quality, Trust, Reputation** and the special title **Brand of the last 15 years**.

These awards confirm our established market position, systematically growing recognition and the highest quality of our products.

Animals is the brand for birds and rodents.

Its main product lines include:

- basic foods
- supplementary foods
- treats
- sticks
- beddings and sands

In the range of our business is the production of private label products.

We can produce:

- Cat litter
- Food for birds and rodents
- Accessories for dogs and cats.

Cat Grass 150g

Grass is an essential for your cat's nutrition. It stimulates digestive functions and helps in removing undigested remains and fur from the digestive tract, which the animal swallows while cleaning their fur. Grass should be given with your cats normal food or left with unrestricted access for easy consumption. Cats that eat grass do not eat potted flowers which can be harmful to them.

Country of origin: Poland

HILTON COMPACT

Bentonite Cat Litter

5L

Hilton Compact bentonite cat litter. Made from natural clay, very fine, clumping cat litter. It does not contain any chemical additives. Absorbs unpleasant odours. Can be disposed of with household waste. The Hilton Compact litter clumps perfectly – moisture is immediately absorbed, creating hard clumps which can be removed with a litter scoop, and the rest of the bedding remains dry and hygienically clean. It is very efficient due to its structure small clumps can be later thrown away.

Available in 2 versions/scents:

- natural
- grass scent - created for kittens

The scent of grass will quickly aid in teaching the cat to settle its needs in the litter box!

HILTON care shampoo for cats 250ml

Expiry date: 24 months

The formula is based on delicate substances that provide a regenerating and cleansing effect. Your cat's skin and fur will be soft, nourished and smooth.

Active ingredients: Allantoin, a derivative of urea, has a regenerating effect. It perfectly soothes irritation and redness. It soothes and supports the renewal of damaged epidermis. Oat extract, thanks to its high content of active ingredients, has anti-inflammatory, protective, soothing and calming properties. This extract is hypoallergenic. Glycerin is a perfectly moisturizing substance that retains water in the skin.
